

MUNSHA

## Technical Rider

\* High Quality Sufficient PA System with Sub Bass Speakers

One Stage :

\* PA Floor Monitors (Two is better).

\* 8 mono or more channel studio mixing board  
with Parametric EQ // Aux // Inserts // Effects // Phantom Power

\* n° 2 Microphone Stands

\* Euro electrical socket for 8-10 adapters

\* Desk/Table for equipment, approximately 1 m x 1,5 m.

(I perform with laptop and hardware machines, so enough free space for equipment is a mandatory)
